DATING VIOLENCE

Dating violence is about POWER and CONTROL and can be emotional, physical, or sexual.

KNOW THE SIGNS of an abusive relationship

Does your partner:

- Act jealous and possessive
- Criticize you or put you down
- Humiliate or yell at you
- Have mood swings/explosive temper
- Isolate you from friends and family
- Pressure you to have sex
- Check your phone or computer without permission
- Blame you for his/her bad behavior
- Treat you as property
- Control your activities
- Constantly check on you
