1595CA - RETRACT-A-BANNER - CHILD ABUSE PREVENTING CHILD ABUSE WHAT YOU CAN DO REQUEST school districts and churches to sponsor family support classes and programs. RECOGNIZE warning signs and risk factors of abuse. REACH OUT to support kids and parents. Offer to babysit for a friend, relative or neighbor. REPORT if you suspect child abuse or neglect.

FOR BUILDING COLORS MILITARY FAMILY Children flourish when they feel loved, nurtured and supported by a strong fam PRACTICE RESILIENCE

Take time to care for your health and well being. Take time to care for your health and well being.

Exercise, try to eat healthy foods, and take time to relax. Exercise, try to eat nearthy roods, t Everyone needs time to recharge.

BUILD YOUR SOCIAL NETWORK Connect with people that provide encouragement, and o onnect with people that provide encouragement, and advice. Join a parent support group or playgroup. Meet r people while doing something you enjoy.

ASK FOR HELP Make a list of the people and places that you can go to fo support. Don't be afraid to ask for help. Sometimes we need help and sometimes we can help others.

BE A LIFE-LONG LEARNER

Parenting may be the hardest subject you'll ever "study Learn new information. Ask questions and share your experiences, struggles, and successes as a parent.

NURTURE YOUR CHILD'S SOCIAL & EMOTIONAL GROWTH

Make sure that your children know that they are loved a respected, that they can talk about their feelings, and ti you can help them work through any challenges.
